Doug,

Yes, my cryptic no-explanation invitation.. It is a firm date, I believe. We can get a phone set up for a call in. That is not a problem at all.

Good morning Michael. I received this morning your meeting request (for Steven Kaiser, Annette Lang, and me) to meet (presumably with the potential settling parties) in Chicago for USS Lead Site SOW/CD discussions on Wednesday June 25th. Is that a firm date for this meeting? Lisa McCoy won't be able to attend such a meeting on the 25th (see her e-mail message below) which will require us to make some additional arrangements. Thanks.

Doug

Doug,

I am going to be up at EPA on the 25th with Peggy Dorsey for a meeting on another site. If this meeting is already firm, I can get another of our land attorneys to go with you. I can go over the CD and SOW with her before the meeting so she knows our thinking on it. Please let me know if it is firm and I will see who can go and see if they can attend our meeting tomorrow.
